

Dear Body Scan International Patient:

Thank you for choosing Body Scan International. Please note the following information regarding payment for the Body Scan examination.

Please understand that payment for the examination is due at time of registration. Insurance billing is generally not available for the Body Scan test with the exception of certain employer groups. We accept cash, check, money order, VISA, MasterCard, and American Express.

We will provide you with an itemized medical “superbill” which you may submit to your insurance company. For determination of coverage, we encourage your to contact your insurance company.

If the insurance company asks you for the procedural (CPT) codes that will be billed, they are as follows:

- 70490 (CT of neck soft tissue)**
- 71250 (CT of Chest)**
- 74150 (CT of Abdomen)**
- 72192 (CT of Pelvis)**
- 72131 (CT of Lumbar Spine)**
- 76375 (3-Dimensional reconstruction)**

Certain employer groups provide some coverage for our services. For more details, please contact us directly, or consult with your employers’ human resources department.

Thank you.
